ACTIVITIES/EVENTS - MARCH 2024

Celebration of 'International Women's Day': March 11, 2024

Cultural Committee of GDC Nagrota celebrated International Women's Day with this year's designated theme as 'Invest in Women: Accelerate Progress'. The program started with an inaugural address by Prof. Shalini Raina with a thoughtful speech by Prof. Sonika and Prof. Dinesh. A number of students also delivered their views on women empowerment with a focus on addressing economic disempowerment, the campaign theme for this year 'Inspire Inclusion'. A poster making competition and a symposium was also organised reflecting symbolically recognised purple colour which signifies justice and dignity. All teaching staff members and students participated in the activities with a great zeal of enthusiasm. The whole programme was organised under the guidance of Principal of the College Prof. Anjali Mahajan.

Electoral Literacy Club and NSS unit of GDC Nagrota organized a lecture on voter awareness in the college campus. A knowledgeable lecture was delivered by Prof. Shalini Raina, Deptt. of Political Science.

Electoral literacy club of GDC Nagrota organised an essay writing competition on the topic 'mera pehla vote desh ke lite' as a part of the activity planner of the election awareness activity and voter awareness activity as directed by the Election Commission of India.

Hon'ble PM Narendra Modi, laying foundation stone for 3 semiconductor facilities in India: March 13, 2024

Live streaming of the programme was observed by students at GDC Nagrota today, March 13, 2024 at 10:30 am through Youtube channel of Hon'ble Prime Minister @ Narendra Modi.

The event, featured Prime Minister Narendra Modi laying foundation stone for three semiconductor facilities. These facilities hold immense significance as they mark a crucial step towards reducing the country's dependency on semiconductor imports and bolstering the domestic tech industry.

During the live stream, dignitaries and key stakeholders were present to witness this momentous occasion. Prime Minister Modi's involvement emphasized the government's commitment to fostering technological advancement and self-reliance.

Overall, the event highlighted the importance of investing in semiconductor manufacturing capabilities and showcased the government's proactive approach towards enhancing India's technological infrastructure.

After the programme a lecture was delivered by Prof. Shakti Prakash Head Computer Applications on the theme Indian Semiconductor Mission (ISM). He explained importance of the initiatives put forth by the Government. The focus of the lecture was about future developments and advancements in socioeconomic and technological perspectives.
