Government Degree College Nagrota Organises Awareness Programme on PM-USP Central Sector Interest Subsidy Scheme (PM-USP CSIS)

Government Degree College, Nagrota organised an Awareness Programme on the PM-USP Central Sector Interest Subsidy Scheme (PM-USP CSIS) under the guidance of the Principal of the college, Prof. Anjali Mahajan. The programme was aimed at creating awareness among students about the financial assistance available under the scheme and encouraging them to avail its benefits for pursuing higher education.

The programme commenced with a lecture session by Dr. Javaid Iqbal, Convener, PM-USP, who provided a comprehensive overview of the PM-USP Central Sector Interest Subsidy Scheme (PM-USP CSIS). He explained the objectives of the scheme, its eligibility criteria, the application process, and the benefits offered to students belonging to economically weaker sections. He emphasised that the scheme provides interest subsidy on education loans during the moratorium period, thereby reducing the financial burden on deserving students and ensuring that financial constraints do not become an obstacle to quality higher education. The lecture was followed by an interactive session during which students raised queries regarding the eligibility conditions, documentation, loan procedures, and other aspects of the scheme. Their queries were addressed in detail, making the session highly informative and engaging.

The programme concluded with a formal vote of thanks. The event was organised by the PM-USP Committee, comprising Dr. Javaid Iqbal, Prof. Shalini Raina, and Prof. Jaspal Singh, as part of the college's ongoing efforts to disseminate information about student welfare schemes and promote inclusive and accessible higher education.
